### PTA FALL FITNESS FAIR

Fitness, nutrition, and safety were emphasized topics at the PTA's annual Fall Fitness Fair held Saturday, Nov. 16th at Siuslaw Middle School. Over 100 people attended off and on throughout the day, to participate in fun fitness activities, snack on healthy foods, and learn about healthy lifestyles and nutrition. November is National PTA's Healthy Lifestyles month, a perfect time of year to promote getting up off the couch and finding positive activities to get involved in. The local PTA sponsors this free event to encourage families in our community to think about health and fitness.

## Why Join the Florence Community PTA?

We want to grow our organization and become an even stronger force in our local schools and community. We would love to share our sense of accomplishment with you. We have a goal of reaching 150 members by January 30, 2014; that's 46 more than we have at this point!

You may think that you will have to put in hours and hours of volunteer time if you join our PTA – that is NOT the case! You may want to help out with certain projects and we welcome that, but you don't HAVE to.

It's easy to join! Pick up a form at any one of the schools, or download one from our website at [florencepta.org](http://florencepta.org). Fill it out and return it to a school or mail it to P.O. Box 1140, Florence, OR 97439.

The next PTA meeting is December 10  
at 4 pm at the Siuslaw High School.

Keep collecting those box tops!
